*To assist the development of a Transport Investment Plan (TIP) for the Solent we are seeking the views of businesses and other key stakeholders - to identify the key transformational interventions to:*

- i. improve labour mobility;*
- ii. broaden the labour pool available to employers;*
- iii. support growth at our international gateways;*
- iv. improve economic interaction between Portsmouth and Southampton;*
- v. improve connectivity of the Solent with London, the wider UK and international markets;*
- vi. improve the attractiveness of the area to new investment, including foreign direct investment;*  
*and*
- vii. respond to the needs of businesses in the Solent.*

**Developing an evidence base : work to date - Peter Brett Associates** **14.10**

**Discussion in groups** **14.10**

- What are the current transport issues affecting Solent sub-region?*
- How can they be fixed – and who should do it?*
- How can we influence transport investment decisions affecting the Solent sub-region?*

**Discussion Review and Summary - Peter Brett Associates** **15.10**
