

Transport Investment Plan Workshop

10.00 - 11.30

Ballroom, Ageas Bowl, Botley Road, West End, Southampton, SO30 3XH

Running Order

Arrival & Registration **09.30**

Introductions & Scene Setting - Solent LEP **10.00**

Objectives of the meeting - Peter Brett Associates **10.05**

To assist the development of a Transport Investment Plan (TIP) for the Solent we are seeking the views of businesses and other key stakeholders - to identify the key transformational interventions to:

- i. improve labour mobility;*
- ii. broaden the labour pool available to employers;*
- iii. support growth at our international gateways;*
- iv. improve economic interaction between Portsmouth and Southampton;*
- v. improve connectivity of the Solent with London, the wider UK and international markets;*
- vi. improve the attractiveness of the area to new investment, including foreign direct investment;*
and
- vii. respond to the needs of businesses in the Solent.*

Developing an evidence base : work to date - Peter Brett Associates **10.10**

Discussion in groups **10.10**

- *What are the current transport issues affecting Solent sub-region?*
- *How can they be fixed – and who should do it?*
- *How can we influence transport investment decisions affecting the Solent sub-region?*

Discussion Review and Summary - Peter Brett Associates **11.10**

- *Agree priorities and key actions, who to involve, timetable*
- *Developing a transport investment plan*
- *Other consultation and engagement with key stakeholders*

Action Plan: Next Steps - Peter Brett Associates **11.25**

Event Close - Solent LEP **11.30**
