Project description:

Please provide a short summary of the project (one page maximum), including a high level indication of the proposed curriculum offer and its fit with local and regional skills needs, geographical reach and potential legal structure of the proposed IoT.

To allow for greater interaction between those registering an interest we have set up an Institutes of Technology Group on LinkedIn which we would encourage you to join. The aim of the group is to facilitate connections between potential collaborators who are interested in establishing an Institute of Technology.

Anyone wanting to join the group should read the Terms of Reference first.
