

Chapter 5: Register of Interests

MHCLG NED Review Recommendation:

It is therefore recommended that the Department sets out specific requirements on the principles which each LEP must incorporate into its conflicts of interest policy and how it is implemented which includes:

- **All Team members taking personal responsibility for declaring their interests and avoiding perceptions of bias. This should be evidenced by producing and signing of their register of interests and publication on the website.**
- **Use of a bespoke proforma for collection and publication of the information which ensures all categories of interest are systematically considered.**
- **Categories of interest to include employment, directorships, significant shareholdings, land and property, related party transactions, membership of organisations, gifts and hospitality, sponsorships. Interests of household members to also be considered.**
- **Action in response to any declared interests applies to any involvement with the work of the LEP and is to be recorded.**

Introduction to Register of Interests

85. This register should be used in conjunction with the section 'Registering and declaring pecuniary and non-pecuniary interests' in chapter four, which provides further guidance on the processes LEPs should adopt to declare interests. LEPs **must** adopt this register of interests and publish an up-to-date register for each Board Member on the LEP website by the 28 February 2018.
86. Actions undertaken by the LEP in response to the declaration of interests must be recorded. LEPs should ensure that senior members of staff or those staff involved in advising on decisions should also complete this form and report interests. Unless there is a relevant or new interest that pertains to a meeting or decision, LEP staff should review their interests every six months.
87. LEPs must ensure that all Board Members fill in this register of interest form, regardless of whether they have already completed a conflict of interest or register of interest declaration for a different role e.g. local councillor.
88. Please note that if a spouse or partner is referenced within the Register of Interest they do not need to be referred to by name.
89. The Department would like to thank Cheshire and Warrington LEP for providing the basis of this register.
90. For further information on what constitutes as a conflict of interest, LEPs can consult the National Audit Office's [report](#) into Conflicts of Interests.
