

Solent LEP Large Projects Programme Deadlines

If you are considering submitting an application to the Solent LEP Large Projects fund, please note the closing dates for submission of applications, and subsequent decision dates in the table below. All applications must be received by 23:59 on the closing date shown for that round. Any late submissions will be automatically carried forward into the next round.

All applications will undergo independent due diligence before being considered by the Large Projects Advisory Panel (LPAP). LPAP will review the applications and independent due diligence reports and make recommendations to the LEP Board. The LEP Board will consider the recommendations from LPAP and supported applications will be invited to develop a full business case.
