Solent Local Enterprise Partnership

Solent Growth Forum

Terms of Reference

Published February 2019

## **1. Effect and application**

The Solent LEP Board in partnership with its accountable body, Portsmouth City Council, establishes the Solent Growth Forum (SGF), and with the participant members adopts these Terms of Reference, which will govern the meetings and activities of the SGF.

## **2. Background and purpose**

The Solent Local Enterprise Partnership (LEP) is the key interface and lead for economic development in the Solent.

Strengthened Local Enterprise Partnerships sets out four key roles for the LEP as follows:

- Strategy: Developing an evidence-based Local Industrial Strategy that identifies local strengths and challenges, future opportunities and the action needed to boost productivity, earning power and competitiveness across their area.
- Allocation of funds: Identifying and developing investment opportunities; prioritising the award of local growth funding; and monitoring and evaluating the impacts of its activities to improve productivity across the local economy.
- Co-ordination: Using their convening power, for example to co-ordinate responses to economic shocks; and bringing together partners from the private, public and third sectors.
- Advocacy: Collaborating with a wide-range of local partners to act as an informed and independent voice for their area.

As autonomous local partnerships, Local Enterprise Partnerships are primarily accountable to the communities within their area. In practice, the full and active role of senior local authority representatives on these boards provides a strong and direct link back to local people and are one part of the Local Enterprise Partnership's democratic accountability.

As not all local authorities are represented directly on the Solent LEP Board, it is important that all Local Authority representatives have been given a mandate through the Solent Growth Forum, which brings all the local authorities together in the area. The Solent Growth Forum provides Solent LEP with an additional means of ensuring effective and appropriate democratic scrutiny of the LEPs investment decisions.

## **3. Solent LEP and the Accountable Body**

The Accountable Local Authority for the Solent LEP (Portsmouth City Council), as the legal recipient of funding, will take responsibility for ensuring that a local assurance framework is in place, that it meets the standards set out in this document, and that all funding decisions are made in accordance with it.

## **4. Purpose of the SGF**

Government want to be confident that there are strong underpinning local authority partnership arrangements in place to facilitate joint decision making and collaboration on growth and economic development between all local authorities in each LEP area. It's important that local authorities across the LEP area support growth priorities and actively play a part in ensuring their delivery – by aligning

strategic plans, through use of their powers and competencies and through pooling and aligning of local resources and efforts.

In addition, the Government also require the LEP to set out how it will ensure external scrutiny and expert oversight, including participating in relevant local authority scrutiny panel enquiries to ensure effective and appropriate democratic scrutiny of investment decisions.

In order to provide for this, the Solent Growth Forum has been established under a Joint Agreement and it provides an arrangement which enables collective engagement of local authority leaders on growth priorities, with the LEP represented, supported by strong collaboration and joint delivery at executive level. The forum also provides an opportunity to Local Enterprise Partnerships to engage local partners and independent experts – when developing economic strategies, whilst reassuring partners that taxpayers money is being put to best use.

The SGF has the following purposes:

- To provide an external scrutiny panel for the LEP, with involvement of all Local Authorities within the Solent area
- To review projects funded under the Solent Growth Deal
- To provide recommendations, expert advice, and guidance on any matter relating to Strategic Economic Plan, Local Industrial Strategy, the work of the Board, and supporting panels/forums or committees;
- To advise on the policies and programmes outlined in the SEP and Local Industrial Strategy;
- To review the delivery of the SEP and Local Industrial Strategy
- To receive updates on the delivery of the European Structural Investment Funds
- To encourage optimal delivery of the strategic priorities across programmes, and the optimal delivery of strategic priorities;
- To provide a strategic review of the development and delivery of the multi-year strategic economic plan and Local Industrial Strategy.

And the Members shall have regard to these purposes when engaged in the business of the SGF, and the Executive of the Solent LEP and the Chair, shall have regard to them when agreeing the agenda.

## **5. Openness and transparency**

For the Solent Growth Deal the SGF shall conduct its business in an open and transparent way and will:

- Adhere to the Local Government Transparency Code
- Conduct meetings by way of procedures which substantially follow the principles contained within Part VA of the Local Government Act 1972
