

Solent Prosperity Fund - Large Projects and Programmes - Deadlines

If you are considering submitting an application to the Solent Prosperity Fund - Large Projects and Programmes, please note the closing dates for submission of application forms and full business cases, and subsequent decision dates in the table below. All applications must be received by 23:59 on the closing date shown for that round. Any late submissions will be automatically carried forward into the next round.

Application forms (used under for the Two Step route only) and full business cases will be assessed by independent expert consultants, who will provide a due diligence report to the LEP.

The LEP Board or its Funding, Finance and Performance Management Group (FFPMG) will consider the independent due diligence report provided by consultants to inform a final decision on which applicants to invite to co-develop a full business case, or to which full business cases to award funding.

Whilst the application deadlines will be maintained, the dates for FFPMG and Board consideration for each round are indicative only, as the relevant meeting agenda may facilitate earlier consideration of applications, or, conversely, may result in later consideration of applications.

Key dates for 2019

Round	Application deadline	FFPMG meeting date	Board meeting date	Applicant notified of outcome by
2019 - R6	27 September 2019	14 November 2019	12 December 2019	Within 10 days of meeting
2019 - R7	29 November 2019	TBC	TBC	Within 10 days of meeting
