Working Arrangements and Meeting Frequency

The Funding, Finance and Performance Management Group shall meet four times per year, or as agreed by the Chairman in partnership with the Solent LEP.

Declarations of Interest

In accordance with Article 46 of the Solent LEP Articles of Association and the Local Enterprise Partnership Governance and Transparency Best Practice Guidance a register of interest has been established by the Solent LEP and all Directors have a statutory duty to declare their interests (direct or indirect) in transactions or arrangements involving the Solent Local Enterprise Partnership. This requirement has been extended to all Chairs and Members of dedicated advisory sub-panels of the Solent Local Enterprise Partnership, Section 151 Officers and Chief Executive Officers of any accountable body organisation operating on behalf of the Solent Local Enterprise Partnership and Any other persons with significant influence over the activities of the Solent Local Enterprise Partnership (for example, Solent LEP employees and senior points of contact at accountable body organisations such as legal and financial contacts).

Management of Interests

The overriding principle adhered to by the LEP is that every FFPMG Member should be, and be seen to be, impartial at the time of participation in any discussion or decision relating to a matter considered by the Funding, Finance and Performance Management Group

This is recognised to be particularly important in relation to any funding awards which are to be considered by the LEP through the competitive, transparent processes set out under the agreed Assurance Framework and it is a fundamental principle that all parties in such processes are treated equally and fairly and that the parties perceive this to be the case.

The Solent LEP takes a proactive approach to the management of all interests. This includes both direct interests in matters to be considered, which would realistically be affected by its outcome, as well as presumed, unconscious or apparent bias arising from an involvement (found where a fair-minded and informed observer, having considered the facts, would conclude that there was a real possibility that the FFPMG Member could have been biased).

An FFPMG Member must declare the nature and extent of any interest, direct or indirect, which she/he has in a proposed transaction or arrangement with the company or in any transaction or arrangement entered into by the company which has not previously been declared and absent himself or herself from any discussions of the directors in which it is possible that a conflict will arise between his or her duty to act solely in the interests of the company and any personal interest (including but not limited to any personal financial interest).

If a conflict of interests arises for a FFPMG Member because of a duty of loyalty owed to another, the unconflicted Members may authorise such a conflict of interests where the following conditions apply:

- the conflicted Member is absent from the part of the meeting at which there is discussion of any arrangement or transaction affecting that other person;
- the conflicted Member does not vote on any such matter and is not to be counted when considering whether a quorum of Members is present at the meeting; and
- the unconflicted Members consider it is in the interests of the Management Group to authorise the conflict of interests in the circumstances applying.

The notes of meetings of FFPMG will record any declarations of interest made, and whether the Member withdrew from the meeting for that item.

In line with the Local Enterprise Partnership Governance and Transparency Best Practice Guidance, each Member shall review their individual register of interests before each FFPMG meeting and submit any necessary revisions to the LEP and S151 Officer at the start of the meeting.

Even if a meeting has not taken place a Member must, within 28 days of becoming aware of any change to the interests specified, provide written notification to the LEP and S151 Officer, of that change.

Gifts and Hospitality

The Solent LEP also maintains a register of events attended and gifts or hospitality received or given by all persons in their capacity as representatives of the Solent Local Enterprise Partnership or whilst carrying out Solent Local Enterprise Partnership duties. Gifts and hospitality of a significant value arising received by Panel Members in their capacity of representatives of the Solent Local Enterprise Partnership should not be accepted. The giving of gifts or hospitality of significant value should also be avoided. Full information on the Solent LEP Register of events attended and gifts or hospitality received is [available here](#).

Equalities

The Solent LEP recognises that corporate advisory and investment panels perform at their best when they include people who come from a range of perspectives and backgrounds. As such, equality and diversity are considered throughout our governance structures, in line with Portsmouth City Council's Equality & Diversity Strategy. A copy of this strategy is available at:

<https://www.portsmouth.gov.uk/ext/community-and-environment/community/equality-and-diversity.aspx>

Complaints and Whistle-blowing

The Solent LEP and Portsmouth City Council as accountable body to the Solent LEP are committed to achieving the highest possible standards of openness, probity and accountability in all of our practices and have established a complaints and Whistleblowing policy, which complies with that of both Portsmouth City Council and the Local Enterprise Partnership Governance and Transparency Best Practice Guidance. A copy of this policy is available at: <https://solentlep.org.uk/contact-us/>

This procedure outlines the process to follow for a Panel Member when reporting a perceived wrongdoing within the LEP, including something they believe goes against the core values of Standards in Public Life (the Nolan Principles) and the Code of Conduct for LEP Board Members, Panel Members and staff. The Standards in Public Life include the principles of; integrity, honesty, objectivity, accountability, openness, honesty, leadership and impartiality.

All FFPMG Members, as key advisors to the LEP, have a right and a responsibility to speak up and report behaviour that contravenes these values.
